Assignment 2**

The Development of Modern Sports

Task 1

Briefly explain in your own words the concepts of Calvinism and Puritanism and how they affected participation in sport.

Task 2

You are to investigate the origins of a sport (not football) and present this in a 3 – 5 minute screencast. Briefly in your own words describe how the sport originated and show the development of the sports major events through the years to present day.

For those of you who are unfamiliar with screencasting there are tutorials and example screencasts on the SIMA website.

Task 3

Explain how football has developed in its many forms since the 12th century to the formation of the world governing bodies in the 20th century.

You should include information on the following:

- Mob games
- Traditional games at Eton, Harrow and Rugby schools.
- How Rugby football was formed and why it split into union and league.
- Formation of the Football Association (FA)
- Formation of UEFA and FIFA
